SECTION V. BANKRUPTCY; INSOLVENCY; RECEIVER

A. B. The Corporation immediately shall give notice to the Office of the filing of any petition, or commencement of any proceedings, in bankruptcy, or for a receiver or insolvency or for reorganization or composition, or any assignment for the benefit of creditors to a trustee for the benefit of creditors, relating to the Corporation or the Facilities.

If there is a proceeding to effect a receivership for the Corporation, the Office shall have the right to select the receiver.

SECTION VI. MAINTENANCE OF EXISTENCE; AFFILIATION, MERGER, CONSOLIDATION, SALE OR TRANSFER UNDER CERTAIN CONDITIONS

A. The Corporation shall maintain its existence as a nonprofit public benefit corporation of the State, operating a health facility and meeting the requirements of Section 501(c)(3) of the Code, and shall not dissolve, sell or otherwise dispose of all or substantially all of its assets or affiliate with, consolidate with or merge into another Person or permit one or more other Persons to affiliate with, consolidate with or merge into it; provided, that the Corporation may, without violating the covenants contained in this Section, affiliate with, consolidate with or merge into

another Person, or permit one or more other Persons to affiliate with, consolidate with or merge into it, or sell or otherwise transfer to another Person such assets, if:

1. The Corporation obtains the written consent of the Office to such transaction and a Statement of the Office to the effect that the Contract of Insurance remains in full force and effect after such transaction;

2. The Office, the Authority and the Trustee shall have received an Opinion of Bond Counsel to the effect that such affiliation, merger, consolidation, sale or other transfer will not cause the interest on the Bonds to be included in gross income for federal income tax purposes under Section 103 of the Code;

3. The surviving, resulting or transferee Person:

a. assumes in writing, if such Person is not the Corporation, all of the obligations of the Corporation under this Regulatory Agreement, the Loan Agreement and the Indenture, and agrees to fulfill and comply with the terms, covenants and conditions thereof;

b. is not, after such transaction, otherwise in default under any provision of this Regulatory Agreement, the Loan Agreement or the Indenture;

c. is an organization meeting the requirements of Section 501(c)(3) of the Code, or a corresponding provision of the federal income tax laws then in effect; and

d. shall have fund balances at least equal to the fund balances of the Corporation prior to such transaction;

4. The Trustee and the Office shall have received the report of a Management Consultant to the effect that Net Income Available for Debt Service of the surviving, resulting or transferee Person (after giving effect to such affiliation, merger, consolidation, sale or other transfer) for each of the first two full Fiscal Years following such merger, consolidation, sale or other transfer is forecasted to be not less than the greater of Net Income Available for Debt Service of the Corporation for each of the two most recent Fiscal Years for which audited financial statements are available, as certified by an Accountant;

5. The Trustee and the Office shall have received a report of an Accountant to the effect that the net worth of the surviving, resulting or transferee Person, after giving effect to such merger, consolidation, sale or other transfer, is at least equal to 100 percent of the net worth of the Corporation immediately prior to such affiliation, merger, consolidation, sale or other transfer; and

6. The Trustee, the Authority and the Office shall have received an Opinion of Counsel to the effect that the Loan Agreement, the Indenture and this Regulatory Agreement constitute the legal, valid and binding obligations of the surviving, resulting

or transferee Person, as the case may be, enforceable against such Person in accordance with their respective terms.

B. Notwithstanding the foregoing, the Corporation may, without complying with the provisions of Subsection A of this Section, transfer substantially all of their assets to an Affiliate provided that:

1. The Corporation obtains the written consent of the Office to such transaction and the Contract of Insurance remains in full force and effect after such transaction;

2. The Office, the Authority and the Trustee shall have received an Opinion of Bond Counsel to the effect that such proposed transfer(s) will not cause the interest on the Bonds to be included in the gross income for federal income tax purposes under Section 103 of the Code;

3. Such Affiliate agrees to become a co-obligor and jointly and severally liable with the Corporation under this Regulatory Agreement and the Loan Agreement; and

4. After such transaction, the Corporation and the Affiliate are in compliance with the provisions of this Regulatory Agreement and the Loan Agreement.

In the event of such a transfer to an Affiliate, references in this Regulatory Agreement to indebtedness of the Corporation shall apply to the combined indebtedness of the Corporation and the Affiliate, and references to the financial condition or forecasted results of operations of the Corporation shall apply to the consolidated financial condition or results of operations of the Corporation and the Affiliate.

C. If an affiliation, merger, consolidation, sale or other transfer is effected, as provided in this Section, the provisions of this Section shall continue in full force and effect, and no further affiliation, merger, consolidation, sale or transfer shall be effected except in accordance with the provisions of this Section.

SECTION VII. RATES AND CHARGES; DEBT COVERAGE; CURRENT RATIO; DAYS CASH ON HAND

A. The Corporation shall operate the Facilities as revenue producing health care facilities. The Corporation shall fix, charge and collect, or cause to be fixed, charged and collected, subject to applicable requirements or restrictions imposed by law, such rates, fees and charges which, together with all other receipts and revenues of the Corporation and any other funds available therefor, are reasonably projected to be sufficient in each Fiscal Year (commencing with the Fiscal Year beginning July 1, 2001) to produce Net Income Available for Debt Service equal to at least 1.25 times Maximum Aggregate Annual Debt Service for such Fiscal Year.

B. The Corporation shall maintain as of the end of each Fiscal Year a current ratio (a ratio of current assets to current liabilities, as determined in accordance with generally

accepted accounting principles and as shown on the Corporation's audited financial statements for such Fiscal Year) of at least 1.40:1.0.

C. The Corporation shall maintain as of the end of each Fiscal Year at least thirty (30) Days Cash on Hand, as shown on the Corporation's audited financial statements for such Fiscal Year. For purposes of this requirement, "Days Cash on Hand" shall mean, for any Fiscal Year, the quotient obtained by dividing (1) the Corporation's cash and cash equivalents as of the end of such Fiscal Year by (2) the quotient of dividing (a) the Corporation's operating expenses (excluding depreciation, amortization, allowance for bad debts, and any other noncash expenses) for such Fiscal Year by (b) the number of days in such Fiscal Year.

D. Within one hundred twenty (120) days after the end of each Fiscal Year (commencing with the Fiscal Year beginning on July 1, 2001) the Corporation shall compute (1) the Net Income Available for Debt Service and Maximum Aggregate Annual Debt Service, (2) the current ratio and (3) the Days Cash on Hand for such Fiscal Year and promptly furnish to the Authority, the Trustee and the Office a Statement setting forth the results of such computation. The Corporation further covenants and agrees that if at the end of such Fiscal Year the Net Income Available for Debt Service, the current ratio or the Days Cash on Hand shall have been less than as required by Subsections A, B or C, respectively, of this Section, it will promptly employ a Management Consultant to make recommendations as to a revision of the rates, fees and charges of the Corporation or the methods of operation of the Corporation which will result in producing Net Income Available for Debt Service, a current ratio and Days Cash on Hand as required by Subsections A, B and C, respectively, of this Section in the current Fiscal Year; provided, however, the Corporation need not so employ a Management Consultant if the Office consents, in writing, to a waiver of said covenant to employ a Management Consultant. Copies of the recommendations of the Management Consultant shall be filed with the Authority, the Trustee and the Office. The Corporation shall to the extent feasible, promptly upon its receipt of such recommendations, subject to applicable requirements or restrictions imposed by law, revise its rates, fees and charges or its methods of operation or collections and shall take such other action as shall be in conformity with such recommendations; provided, however, the Corporation need not make such revisions or take such actions in conformity with such recommendations if (1) the Board makes a good faith determination that such recommendations, in whole or in part, are not in the best interests of the Corporation and (2) the Office gives its written consent to the effect that the Corporation need not comply, in whole or in part, with such recommendations. In the event that the Corporation fails to comply with the recommendations of the Management Consultant, the Office may replace existing management with new management, which shall be chosen unilaterally by the Office.

If the Corporation complies in all material respects with the reasonable recommendations of the Management Consultant in respect to said rates, fees, charges and methods of operation or collection, the Corporation will be deemed to have complied with the covenants contained in this Section for such Fiscal Year, notwithstanding that Net Income Available for Debt Service, the current ratio or the Days Cash on Hand shall be less than the amount required under Subsections A, B or C of this Section; provided, that (1) this sentence shall not be construed as in any way excusing the Corporation from taking any action or performing any duty required under this Regulatory Agreement or be construed as constituting a waiver of any other event of default under this Regulatory Agreement and (2) Net Income

Available for Debt Service shall be at least equal to 1.0 times Aggregate Debt Service for such Fiscal Year.

E. Notwithstanding the foregoing, the Corporation may permit the rendering of service at, or the use of, the Facilities without charge or at reduced charges, at the discretion of the Board, to the extent necessary for maintaining its tax-exempt status or to establish or maintain its eligibility for grants, loans, subsidies or payments from the United States of America, any instrumentality thereof, or the State or any political subdivision or instrumentality thereof, or in compliance with any recommendation for free services that may be made by the Management Consultant.

SECTION VIII. LIMITATION ON ENCUMBRANCES

The Corporation shall not create, assume or suffer to exist and shall immediately satisfy or release any mortgage, deed of trust, pledge, security interest, encumbrance, lien, attachment or charge of any kind (including the charge upon property purchased under conditional sales or other title retention agreements) upon the Facilities or the Gross Revenues; *provided, however*, that notwithstanding the foregoing provision, the Corporation may create, assume or suffer to exist Permitted Encumbrances.

SECTION IX. LIMITATION ON INDEBTEDNESS

A. 6. Long-Term Indebtedness (which may be Parity Debt), provided that

a. the Office has consented in writing to the incurring of such indebtedness, and

(2) (a) Net Income Available for Debt Service, as certified by a written report of an Accountant which shall be filed with the Trustee and the Office, for the most recent Fiscal Year for which audited financial statements are available immediately preceding the date of incurrence of such Long-Term Indebtedness was at least equal to 1.20 times Maximum Aggregate Annual Debt Service on all Long-Term Indebtedness then outstanding, and

(b) Net Income Available for Debt Service, as shown in a written feasibility report prepared by a Management Consultant and filed with the Trustee and the Office, for each of the first two Fiscal Years following the incurrence of such Long-Term Indebtedness (or, if such Long-Term Indebtedness is incurred to finance additional facilities, in each of the first three Fiscal Years following the Fiscal Year when it is proposed that such Facilities will be completed and placed in service) is forecasted to be at least 1.20 times Maximum Aggregate Annual Debt Service on all Long-Term Indebtedness proposed to be outstanding at the end of each such Fiscal Year;

7. Long-Term Indebtedness (which may be Parity Debt), incurred to complete the Project or any other project if the Board certifies that the Corporation cannot complete such project unless such Long-Term Indebtedness is incurred, provided that

a. the Office has consented in writing to the incurring of such indebtedness, and

b. in the case of a project other than the Project, the aggregate principal amount of such indebtedness does not exceed ten percent (10%) of the principal amount of Long-Term Indebtedness incurred to finance such project;

8. Long-Term Indebtedness (excluding Parity Debt) provided that

a. the Office has consented in writing to the incurring of such indebtedness, and

b. the aggregate amount incurred by the Corporation under this Subsection, Subsection 3 and Subsection 9 and outstanding shall not exceed at the time of incurrence ten percent (10%) of the Corporation's Adjusted Annual Operating Revenues for the most recent Fiscal Year for which audited financial statements are available;

9. Liabilities under capitalized lease agreements for the lease of, or indebtedness for money borrowed or liabilities under instruments evidencing deferred payment arrangements for the purchase of, equipment, tangible personal property or real property; provided that the aggregate amount incurred by the Corporation under this Subsection, Subsection 3 and Subsection 8 and outstanding shall not exceed at the time of incurrence ten percent (10%) of the Corporation's Adjusted Annual Operating Revenues for the latest Fiscal Year for which audited financial statements are available;

10. Non-recourse Indebtedness, provided that the Office has approved in writing the incurrence of such indebtedness and such indebtedness does not encumber the Facilities;

11. Repayment obligations under reimbursement or similar agreements with banks or insurance companies relating to letters or lines of credit or other credit facilities used to secure Long-Term Indebtedness;

12. Indebtedness, not for borrowed money, incurred in the ordinary course of business; and

13. Any indebtedness or obligations of the Corporation consented to in writing by the Office.

SECTION X. LIMITATIONS ON DISPOSITION OF PROPERTY

A. Disposition of Cash. The Corporation shall not dispose of any cash or cash equivalents unless

1. the Corporation receives an asset or service of reasonably equivalent value for such cash or cash equivalents; or

2. prior to such disposition, there is filed with the Office and the Trustee a Statement of the Corporation to the effect that either

a. the ratio of Net Income Available for Debt Service to Maximum Aggregate Annual Debt Service for the most recent Fiscal Year for which audited financial statements are available next preceding such disposition would not be reduced or, if reduced, would not be reduced below a ratio of 2.0:1.0 (such calculation to be made assuming such disposition had occurred at the beginning of such Fiscal Year), or

 - c. Remedies upon an event of default shall be substantially the same as the remedies provided in the Indenture, this Regulatory Agreement and the Loan Agreement, and, prior to exercising any such remedies, the holders of such Parity Debt (or a trustee representing their interest) shall be required to cooperate with the Trustee to the end that the interests of such holders and the Bondholders shall be equally protected;
3. Any collateral given or to be given to secure Parity Debt shall also secure the Bonds on a pari passu basis; provided that the Bond Reserve Account shall only secure the Bonds and the Corporation may but need not establish similar reserve accounts for debt service of Parity Debt;

If the Risk Management Consultant makes recommendations for the increase of any of the coverage required by Subsection A of this Section, the Corporation shall increase such coverage in accordance with such recommendations, subject to a good faith determination of the Board that such recommendations, in whole or in part, are in the best interests of the Corporation. Notwithstanding anything in this Section to the contrary, the Corporation shall have the right, without the giving rise to an event of default under this Regulatory Agreement solely on such account,

1. with the prior written consent of the Office, to maintain insurance coverage below that required by Subsection A of this Section, provided further that the Corporation shall furnish to the Trustee and the Office a Statement of the Risk Management Consultant or other evidence, satisfactory to the Office, that the insurance so provided affords the greatest amount of coverage available for the risk being insured against at rates which in the judgment of the Risk Management Consultant are reasonable in connection with reasonable and appropriate risk management, or

2. with the prior written consent of the Office, to adopt alternative risk management programs which the Board determines to be reasonable and which shall not have a material adverse impact on the Corporation's reimbursement from third party payers, including, without limitation, to self-insure in whole or in part, to participate in programs of captive insurance companies, to participate with other health care institutions in mutual or other cooperative insurance or other risk management programs, to participate in state or federal insurance programs, to take advantage of state or federal laws now or hereafter in existence limiting medical and malpractice liability, or to establish or participate in other alternative risk management programs;

all as may be approved in writing as reasonable and appropriate risk management by the Risk Management Consultant. A copy of any such approval shall be furnished to the Trustee and the Office.

SECTION XVI. WORKERS' COMPENSATION AND INSURANCE LAW

The Corporation shall at all times comply with California's Workers' Compensation, Insurance and Safety Act, including the Workers' Compensation and Insurance law at Division 4 of the California Labor Code, or any successor statute or statutes, and shall maintain insurance or self-insurance for workers' compensation claims as required by Labor Code section 3700.

SECTION XVII. INSURERS; POLICY FORMS AND LOSS PAYEES

The Corporation shall obtain such insurance coverage as is required by this Regulatory Agreement only from insurers admitted to do business in the State by the Department of Insurance of the State, unless the Office gives its prior written consent. All policies shall name the Corporation, the Authority, the Office and the Trustee, as insured parties, beneficiaries or loss payees as their interest may appear. Each policy shall be in such form and contain such provisions as are generally considered standard for the type of insurance involved, subject to the specific requirements of Section XV above, and shall contain (a) a provision to the effect that the insurer shall not cancel or substantially modify the policy provisions without first giving at least thirty (30) days written notice thereof to the Corporation, the Office, and the Trustee and (b) a severability of interests (cross liability) provision. Nothing herein shall preclude more than one coverage or class of insurance from being included in a single policy. The Corporation shall file at least annually on or before October 1 of each year with the Trustee and the Office, a Statement setting forth the coverages maintained pursuant to this Regulatory Agreement, the names of the insurers and insured parties, the amounts of such insurance and applicable deductibles, the risks covered thereby and the expiration dates thereof and a similar description of any self-insurance or alternative risk management program adopted by the Corporation, and stating whether the insurance described therein satisfies the requirements of this Regulatory Agreement. The Trustee shall be protected in relying upon such Statement without independent investigation into the matters covered therein. The Corporation also shall file with the Trustee and the Office a copy of any insurance review or recommendations received by the Corporation from the Risk Management Consultant pursuant to Section XV of this Regulatory Agreement.

SECTION XVIII. TITLE INSURANCE

The Corporation shall obtain, at its own cost and expense, an ALTA Lender's policy of title insurance, with such endorsements as may be required by the Office, at the time of and dated as of the date of delivery of the Bonds or Parity Debt, in an aggregate amount not less than the aggregate principal amount of the Bonds and Parity Debt to be outstanding after the issuance of such Bonds or Parity Debt, payable to the Office and the Authority, insuring the title of the Corporation to the site of the Facilities, subject only to Permitted Encumbrances, issued by a title insurance company admitted to do business in the State by the Department of Insurance of the State, and which is acceptable to the Office.

SECTION XIX. DISPOSITION OF INSURANCE AND CONDEMNATION PROCEEDS

A. The proceeds of Property and Builders Risk insurance maintained by the Corporation pursuant to Section XV above, the proceeds of any title insurance obtained pursuant to Section XVIII, and the proceeds of any condemnation awards with respect to the Facilities, shall be paid immediately upon receipt by the Corporation or other named insured parties to the Trustee, as assignee of the Authority, for deposit in a special fund which the Trustee shall establish and maintain and hold in trust, to be known as the "Insurance and Condemnation Proceeds Fund." In the event the Corporation elects to repair or replace the property damaged, destroyed or taken, it shall furnish to the Trustee and the Office plans of the contemplated repair or replacement, accompanied by a Statement of an architect or other qualified expert satisfactory to the Office

estimating the reasonable cost of such repair or replacement and a Statement of the Corporation stating that amounts in the Insurance and Condemnation Proceeds Fund, together with investment income reasonably expected to be received with respect thereto and any other funds available or reasonably expected to become available therefor (and which the Corporation shall agree to deposit in said fund when so available), shall be sufficient to repair or replace the property damaged, destroyed or taken in accordance with said plans. After deducting therefrom the reasonable charges and expenses of the Trustee in connection with the collection and disbursement of such moneys, moneys in the Insurance and Condemnation Proceeds Fund shall be disbursed by the Trustee for the purpose of repairing or replacing the property damaged, destroyed or taken in the manner and subject to the conditions set forth in the Indenture with respect to disbursements from the Project Fund to the extent the provisions thereof may reasonably be made applicable. In the event that the proceeds of any loss or damage to or condemnation of the Facilities shall be less than one and one-half percent (1-1/2%) of the Corporation's Adjusted Annual Operating Revenues (as shown on the Corporation's most recent audited financial statements), and so long as an event of default under this Regulatory Agreement has not occurred and is not then continuing, the Trustee shall pay over such proceeds to the Corporation without requiring any of the documents referred to in this Subsection and without any formality whatsoever.

B. In the event the Corporation, with the consent of the Office, shall elect not to repair or replace the property damaged, destroyed or taken, as provided in Subsection A of this Section, the Trustee shall transfer all amounts in the Insurance and Condemnation Proceeds Fund on account of such damage, destruction or condemnation to the Special Redemption Account in order to prepay the Loan Repayments and redeem Bonds; provided that if any Parity Debt is then outstanding, any such transfer from the Insurance and Condemnation Proceeds Fund shall be deposited in part in the Special Redemption Account and in part in such other fund or account as may be appropriate (and used for the retirement of such Parity Debt) in the same proportion which the aggregate principal amount of Outstanding Bonds then bears to the aggregate unpaid principal amount of such Parity Debt.

C. If all amounts in the Insurance and Condemnation Proceeds Fund and any special redemption account for the retirement of Parity Debt exceed one and one-half percent (1-1/2%) of the Corporation's Adjusted Annual Operating Revenues (as shown on the Corporation's most recent audited financial statements) but are not sufficient to retire all Bonds and Parity Debt then outstanding, the Trustee shall not transfer said amounts to the Special Redemption Account unless the Corporation shall file with the Trustee a report of a Management Consultant showing that projected Net Income Available for Debt Service will be sufficient to pay Aggregate Debt Service for the three full Fiscal Years immediately following such transfer after giving effect to the retirement of such Bonds and Parity Debt. In the event such report of a Management Consultant shows that projected Net Income Available for Debt Service will not be sufficient to pay Aggregate Debt Service for the three full Fiscal Years immediately following such transfer after giving effect to the retirement of such Bonds and Parity Debt, the Corporation shall apply all amounts in the Insurance and Condemnation Proceeds Fund to the repair or replacement of the property damaged, destroyed or taken, as provided in Subsection A of this Section, unless the Corporation shall file a further report of a Management Consultant showing that even after making such repair and replacement, projected Net Income Available for Debt Service will not be sufficient to pay Aggregate Debt Service for the three Fiscal Years immediately following such repair and replacement, in which event the Trustee shall transfer all moneys in the

Insurance and Condemnation Proceeds Fund to the Special Redemption Account and/or such other trust account for the retirement of Bonds and Parity Debt, as provided in Subsection B of this Section XIX.

SECTION XX. OPERATION OF THE FACILITIES

A. Income and Expenses from Other Businesses or Activities. If the Corporation has any business or activity other than the operation of the Facilities, it shall maintain accurate and complete accounting records which segregate all income and expenses of the Facilities from any other income and expenses of the Corporation and from any other income and expenses of any other Person. Income and other funds of the Corporation shall be expended only for the purposes of the Corporation.

B. Management of the Facilities. The Corporation shall provide for the management of the Facilities in a manner satisfactory to the Office.

1. So long as the Corporation is not in default under this Regulatory Agreement, it may enter into a contract with a Management Agent, which is not an independent contractor, without the prior written consent of the Office, so long as such contract contains the following provisions regarding benefits or payments (including payments over time) to the Management Agent upon severance of employment:

ALL BENEFITS OR PAYMENTS RESULTING FROM TERMINATION OR SEVERANCE OF THE EMPLOYMENT PROVIDED FOR IN THIS CONTRACT, WHICH ARE, OR MAY BE, PAID AFTER THE TERMINATION OR SEVERANCE OF SUCH EMPLOYMENT, MAY BE VOIDED OR TERMINATED BY THE OFFICE OF STATEWIDE HEALTH PLANNING AND DEVELOPMENT (OFFICE) SHOULD THE EMPLOYER DEFAULT IN THE DUE AND PUNCTUAL PAYMENT OF ANY INSTALLMENT OF INTEREST, PRINCIPAL OR REDEMPTION PRICE, IF ANY, OF ANY BOND INSURED BY THE OFFICE. THE OFFICE MAY VOID OR TERMINATE ANY CONTRACT PROVISION PROVIDING FOR THE PAYMENT OF SUCH BENEFITS OR PAYMENTS IN ITS SOLE DISCRETION, WHETHER PRIOR TO, OR SUBSEQUENT TO SEVERANCE OF THE EMPLOYMENT PROVIDED FOR IN THIS CONTRACT.

2. The Corporation shall not enter into any contract with a Management Agent which is an independent contractor without the prior written consent of the Office.

3. If the Corporation is in default under the terms and conditions of this Regulatory Agreement, it shall not enter into, or terminate any contract with a Management Agent without the prior written consent of the Office.

4. Any contract entered into by the Corporation with a Management Agent, whether or not such Management Agent is an independent contractor, shall contain a provision that it shall be subject to termination, with or without cause and without penalty upon thirty (30) days' written notice of termination by the Office to the Corporation and the Management Agent.

Provided, however, that so long as the Corporation is not in default under any obligation, term, or condition of this Regulatory Agreement to be performed by it, the Office will not exercise its right to replace such Management Agent without cause.

C. Examinations and Inspections by the Office. The Facilities, equipment, buildings, plans, office apparatus, devices, books, contracts, records (except for patient records, credentialing records and peer review records that are confidential pursuant to federal, State or local law), documents, and other papers relating thereto or to the Corporation shall be subject to examination and inspection at any reasonable time by the Office or its duly authorized agents; the Corporation shall keep copies of all written contracts or other instruments which affect the Facilities, all or any of which may be subject to inspection and examination by the Office or its duly authorized agents.

D. Maintain License. The Corporation shall at all times, where required by the laws of the jurisdiction, maintain in full force and effect the applicable licenses to operate the Facilities from the State and/or other licensing authority. The Corporation shall notify the Office if any such licensing authority makes any determination which may affect the licensing of the Facilities. The Corporation shall at all times maintain in full force and effect all other governmental approvals, permits, qualifications and certificates necessary for the efficient functioning of the Facilities.

E. Equip the Facilities. The Corporation shall, pursuant to applicable licensing regulations from time to time in effect, suitably equip the Facilities to facilitate its overall operations. The Corporation shall perform all obligations of any chattel mortgage, conditional sale, lease or lease purchase agreement, or other type of financing arrangement designed to acquire equipment if failure to perform such obligations might have consequences that would materially and adversely affect the financial conditions, assets, properties or operations of the Corporation.

F. Acquisition of Services, Supplies and Materials. The Corporation shall make no payment from the Project Fund established under the Indenture for services, supplies or materials without the prior written consent of the Office and such services are rendered and such supplies and materials are delivered for the construction and acquisition of the Facilities and are reasonably necessary for their completion or operation.

G. Indebtedness on Loan Default Event. During the continuance of a default under this Regulatory Agreement, a Loan Default Event under the Loan Agreement or an Event of Default under the Indenture, the Corporation shall not incur any additional Indebtedness or make any additional capital acquisition without the prior written consent of the Office.

H. Lien on Future Acquired Real Property. If the Corporation acquires any real property to be used or usable in connection with the operation of the Facilities while this Regulatory Agreement is in effect, such acquired real property ("Acquired Property") shall be deemed to fall within the definition of Facilities and therefore shall be subject to this Regulatory Agreement. The Corporation shall convey a security interest (which need not give the Office a first lien position) in the Acquired Property for the benefit of the Office under the Deed of Trust, unless such requirement is waived in writing by the Office.

SECTION XXI. REMEDIES UPON DEFAULT

A. Notice and Declaration of a Default under this Regulatory Agreement. Upon a violation of any of the provisions of this Regulatory Agreement by the Corporation, the Office may give written notice thereof to the Corporation by registered or certified mail, addressed to the address stated in this Regulatory Agreement, or such other address as may subsequently, upon appropriate written notice thereof to the Office, be designated by the Corporation as its legal business address. If such violation is not corrected to the satisfaction of the Office within thirty (30) days, or in the event the default is the result of the failure of the Corporation to make a payment required to be made to the Trustee or the result of the loss or threatened loss of the license of the Corporation, then five (5) days, after the date such notice is mailed or within such further time as the Office determines in the Office's sole discretion is necessary to correct the violation, without further notice the Office may declare a default under this Regulatory Agreement effective on the date of such declaration of default.

B. Office Directives to the Corporation. Upon an event of default under this Regulatory Agreement, the Deed of Trust, the Indenture, or the Loan Agreement, the Office may conduct an evaluation of, and direct the Corporation with respect to, the management and operation of the Facilities and the expenses of the Office or any consultants associated with such evaluation and direction shall be reimbursed by the Corporation. The Corporation shall follow all such directives, which may at the option of the Office include immediately terminating and replacing the existing Management Agent with a new Management Agent selected by the Office at the expense of the Corporation. In the event of any such termination, the Management Agent shall not be entitled to compensation for more than thirty (30) days from the date of such termination. The Office may retain attorneys and consultants to assist in such evaluation and the Corporation shall pay the reasonable fees and expenses of such attorneys and consultants and any other expenses incurred by the Office in that connection. These remedies are in addition to those provided by California Health and Safety Code section 129173. The Office reserves its right to exercise all its remedies under Insurance Law Section 129173, including, but not limited to, subsection (b) wherein the Office may remove and appoint members of the governing body of the Corporation sufficient such that the new members constitute a voting majority of the governing body.

C. Payment from the Health Facility Construction Loan Insurance Fund.

1. In any case in which an Event of Default under the Indenture shall have occurred and the Trustee shall have given notice to the Office at least 30 days prior to an Interest Payment Date or a Principal Payment Date that:

a. available moneys in the Principal and Interest Accounts held by the Trustee pursuant to the Indenture will be insufficient to pay in full the next succeeding payment of interest and/or principal when due to the Owners under the Indenture, and

b. the amount by which the obligation to make such payment exceeds the amount available (Shortfall),

the Office shall cause an amount equal to the Shortfall to be deposited into the Principal Account and/or Interest Account at least three (3) Business Days prior to the date on which said payment is due, as provided in the following Subsections 2 and 3.

2. Said deposit shall be made by the Office directing the Trustee to transfer an amount equal to the Shortfall out of the Bond Reserve Account into the Principal Account and/or Interest Account. (However, if there are funds in the Bond Reserve Account at the time the Office receives such notice of the Shortfall from the Trustee, nothing contained in this Subsection C.2 shall prevent the Office from then determining pursuant to Insurance Law Section 129145 that the lender and borrower have exhausted all reasonable means of curing the Event of Default and that it would be in the best interest of the State, the borrower and the lender to pay a portion or all of the Shortfall from the Health Facility Construction Loan Insurance Fund instead of the Bond Reserve Account, and from paying such amount from the Health Facility Construction Loan Insurance Fund.)

3. If the Office pursuant to Insurance Law Section 129145 determines, in the event the funds in the Bond Reserve Account are insufficient to meet the Shortfall as provided in the preceding Subsection C.2, that

a. the lender and borrower will have exhausted all reasonable means of curing the Event of Default, and

b. a payment or payments from the Health Facility Construction Loan Insurance Fund to cure the Event of Default is now and will be at the time of the Event of Default in the best interest of the State, the borrower and the lender,

the Office may pay such amount required to meet the Shortfall from the Health Facility Construction Loan Insurance Fund to the Principal Account and/or Interest Account for the benefit of the lender within the time as provided in Subsection C.1.

4. Any payment made by the Office from the Health Facility Construction Loan Insurance Fund (Fund) shall be secured pursuant to Insurance Law Section 129145 by a pro rata share of the security held by the Trustee through the Deed of Trust and all applicable UCC-1s, and, upon such payment, the Corporation shall become liable for repayment of the amount thereof to the Office upon demand and shall be liable for interest on the unpaid balance thereof at the rate of ten percent (10%) per annum.

5. If the principal of all Bonds at the Time Outstanding, and the interest accrued thereon have been declared immediately due and payable pursuant to the terms of the Indenture, the Office may make payment from the Fund, or, if the fund is insufficient to make such payment, or if the Office determines it to be in the best interest of the State, the borrower and the lender, the Office shall request issuance of debentures as provided in subsection D of this Section.

D. Issuance of Debentures.

1. In any case in which

a. the Trustee shall have directed the foreclosure and taking possession of the Facilities under the Deed of Trust and under applicable statutes,

b. the Trustee, with the consent of the Office, shall have otherwise acquired the Facilities from the Corporation after default,

c. the Trustee, with the consent of the Office, shall have assigned to the Office the security interest created by the Deed of Trust,

d. the Trustee shall have tendered to the Office a satisfactory conveyance of title and transfer of possession of the Facilities directly from the Corporation, or other appropriate grantor, or

e. it has been determined that debentures should be issued pursuant to subsection C. above,

the Trustee shall be entitled to receive the benefit of the insurance as provided in Insurance Law Sections 129125 through 129160, upon

a. the prompt conveyance to the Office of title to the Facilities or, with the consent of the Office, the security interest created by the Deed of Trust,

b. the assignment to the Office of all claims of the Authority and the Trustee against the Corporation or others arising out of the sale of the Bonds, the loan transaction or the foreclosure proceedings, except such claims as may have been released with the consent of the Office, and

c. surrender to the Office of each Bond which has been surrendered to the Trustee.

2. Upon such conveyance, assignment and surrender, the Office shall request the State Treasurer to issue to the Trustee for the benefit of the Owners so surrendered, a debenture or debentures having a total face value of and bearing interest at the rate on the respective surrendered Bonds which they replace and additional debentures equal to all additional amounts due under the Indenture as provided by Insurance Law Sections 129125 through 129160.

E. Additional Remedies Available to the Office. Notwithstanding any other provision in this Regulatory Agreement or provision of law relating to the acquisition, management or disposal of real property by the State, the Office shall have the power to do any or all of the following:

1. Possess, operate, complete, lease, rent, renovate, modernize, insure, or sell for cash or credit, in its sole discretion, any properties conveyed to it in exchange for debentures as provided in the Insurance Law;

2. Pursue to final collection by way of compromise or otherwise all claims against the Corporation assigned by the Trustee to the Office; or

3. Convey and execute in the name of the Office deeds of conveyance, deeds of release, assignments and satisfactions of the Deed of Trust, and any other written instrument relating to real or personal property or any interest therein acquired by the Office.

4. In the event a receiver is appointed for the Corporation at the request of the Office, such receiver, if so requested by the Office, shall serve without bond.

SECTION XXII. NO DISCRIMINATION

The Corporation shall comply fully with the provisions of any applicable federal, state or local laws prohibiting discrimination in employment or housing on the basis of race, color, creed, sex or national origin. Upon failure or refusal to comply with such provision, the Office may take such corrective action as it may deem necessary to effect compliance, including, but not limited to, any remedy at law or in equity.

SECTION XXIII. FINANCIAL STATEMENTS

A. The Corporation shall deliver to the Office within thirty (30) days of the receipt by the Corporation of its audited financial statements, and in any event within one hundred twenty (120) days after the end of each Fiscal Year, two copies of its audited financial statements as of the end of such year (including a balance sheet, a statement of revenues and expenses, a statement of changes in fund balances, a statement of changes in financial position and other financial reports and schedules as may have been delivered to the Corporation in connection with such financial statements), together with (1) the report and opinion of an Accountant stating that the financial statements have been prepared in accordance with generally accepted accounting principles (with such exceptions as are not objected to by the Office) and that such Accountant's examination was performed in accordance with generally accepted accounting standards, and (2) a Certificate of the chief financial officer of the Corporation stating that no event constitutes a Loan Default Event (as that term is defined in the Indenture) or which with the giving of notice or the passage of time or both would constitute a Loan Default Event has occurred and is continuing as of the end of such Fiscal Year, or specifying the nature of such event and the actions taken and proposed to be taken by the Corporation to cure such default. The Corporation also shall deliver to the Office within forty-five (45) days after the end of each quarter one copy of its quarterly unaudited financial statements, all prepared with reasonably due diligence, and satisfactory in scope to the Office. The Corporation also shall deliver to the Office within thirty (30) days of receipt by the Corporation, one copy of any management letter submitted to the Corporation by an Accountant in connection with each annual or interim audit of accounts of the Corporation made by such Accountant. The Corporation shall also provide the Office with copies of all action letters prepared in response to any auditors' management letters.

B. The Corporation shall prepare a preliminary budget not later than twenty (20) days prior to the close of its Fiscal Year in which the Corporation shall set forth its estimated revenues

and expenses anticipated for the ensuing Fiscal Year. The budget shall be approved by the governing body of the Corporation not later than five (5) days before the close of the Fiscal Year. Within thirty (30) days after the approval of its budget by the governing board of the Corporation, the Corporation shall deliver a copy of its approved budget to the Office.

C. The Corporation shall provide to the Office a final project audit and recorded notice of completion within six (6) months of the completion of the Project, which audit shall be completed by an Accountant at the expense of the Corporation.

D. If the Corporation fail to provide audited financial statements to the Office as provided in this Section, the Office may at the Corporation's expense cause an audit to be performed and audited financial statements to be prepared.

SECTION XXIV. CAPITAL REPLACEMENT FUND

A. The Corporation shall establish a separate fund designated as the "Capital Replacement Fund." For each of the Corporation's Fiscal Years beginning with the Corporation's Fiscal Year commencing on July 1, 2001, the Corporation shall deposit on a quarterly basis (i.e. on January 1, April 1, July 1 and October 1) one quarter of the Capital Replacement Amount for the respective Fiscal Year; provided that if the Corporation has received grants for the purchase of, or have purchased equipment for capital purposes, or have expended sums for the repair or maintenance of the Facilities, such grants, the value of such equipment or expended sums may be credited against the amount to be deposited as specified in a Statement of the Corporation filed with the Trustee and the Office; provided further that the Corporation may reduce the deposit required to the Capital Replacement Fund by a Capital Replacement Fund credit which shall be an amount equal to the expenditures of the Corporation for the previous Fiscal Year for property which is depreciable (in accordance with generally accepted accounting principles). In order to be entitled to receive such a credit, the Corporation must certify in writing to the Office at least fifteen (15) days prior to a required deposit to the Capital Replacement Fund:

1. the amount of such expenditure(s),
2. the election of the Corporation to have the amount of the expenditure(s) credited against the then currently payable Capital Replacement Fund deposit,
3. with respect to donated or acquired equipment, that the equipment acquired is depreciable in accordance with generally accepted accounting principles and has been included as part of the Facilities, and
4. such amount of expenditure(s) has not previously been paid from the Capital Replacement Fund or used as a Capital Replacement Fund deposit credit.

B. Moneys held in the Capital Replacement Fund may be used from time to time without the consent of the Office (except for subsections B.4 and B.5) for any of the following purposes:

1. For the acquisition of new, or the replacement of obsolete or worn out, machinery, equipment, furniture, fixtures or other personal property.

2. For the performance of repairs with respect to the Facilities which are of an extraordinary and nonrecurring nature.

3. For the construction of additions to or improvements, extensions, enlargements or remodeling of the Facilities.

4. To provide working capital for the payment of current expenses if the Corporation shall undertake in writing to repay the amount withdrawn for such purpose within fifty-two (52) weeks, provided that no such borrowing pursuant to this clause shall be outstanding for a period of at least thirty (30) consecutive days during each period of thirteen (13) consecutive months beginning with the first deposit to the Capital Replacement Fund.

5. To pay or provide funds for payment of the principal (whether pursuant to stated maturity or mandatory sinking fund or other redemption requirement) or interest on any obligations of the Corporation, but only if and to the extent that the Corporation would otherwise be unable to make such payment or provide such funds without incurring additional indebtedness.

C. The Corporation on or prior to July 1 in each year, commencing July 1, 2001, shall calculate the Capital Replacement Amount and send written notice of such amount to the Office.

D. The Capital Replacement Fund shall be maintained and held by the Corporation and shall not constitute a Trustee-held fund, *provided, however*, that the Capital Replacement Fund, at the direction of the Office, shall be transferred to and held by the Trustee if either:

1. the annual Statement of the Corporation's Accountant demonstrates that the balance in the Capital Replacement Fund is less than the Capital Replacement Amount and the Corporation does not increase the balance in the Capital Replacement Fund to the Capital Replacement Amount within thirty (30) days of receipt of such Statement, or

2. the Gross Revenue Fund is transferred to the name and credit of the Trustee pursuant to Section 4.3(b) of the Loan Agreement.

SECTION XXV. DEBT COVERAGE RATIO REPORTING

Within forty-five (45) days after each April 31, June 30, October 30 and December 31 (each three-month period ending on each such date being referred to herein as a "Fiscal Quarter") commencing with the Fiscal Quarter ending on October 30, 2000, the Corporation shall compute the Net Income Available for Debt Service for such Fiscal Quarter and for the twelve-month period ending on the last day of such Fiscal Quarter ("Running Twelve-Month Period") and promptly furnish to the Office a Statement setting forth the results of such computation. If at the end of such Fiscal Quarter the Net Income Available for Debt Service shall have been less than 1.25 times Maximum Aggregate Annual Debt Service for such Running

Twelve-Month Period, the Corporation shall, upon the request of the Office, employ a Management Consultant to make recommendations as to a revision of the rates, fees and charges of the Facilities or the methods of operation of the Facilities which will result in producing Net Income Available for Debt Service equal to at least 1.25 times Maximum Aggregate Annual Debt Service for such Fiscal Quarter. Copies of the recommendations of the Management Consultant shall be provided to the Office. The Office also may retain attorneys and consultants to assist in an evaluation of the operation and management of the Facilities and the Corporation shall pay the reasonable fees and expenses of such attorneys and consultants and any expenses incurred by the Office in that connection.

SECTION XXVI. ENVIRONMENTAL DISCLOSURE AND INSPECTION

A. The Corporation shall exercise all due diligence in order to comply and cause all Persons on or occupying the Facilities to comply with all Environmental Laws.

B. The Office may, from time to time and in its reasonable discretion, retain, at the Corporation's expense, an independent professional consultant to review any report relating to Hazardous Material prepared by or for the Corporation and to conduct its own investigation of the Facilities. The Corporation hereby grants to the Office, its agents, employees, consultants and contractors the right, upon reasonable notice and during reasonable hours, to enter into or onto the Facilities to perform such tests on such property as are reasonably necessary to conduct such a review and/or investigation.

C. The Corporation shall promptly advise the Office and Trustee in writing and in reasonable detail of

1. any Release of any Hazardous Material required to be reported to any federal, state or local governmental or regulatory agency under any applicable Environmental Laws,

2. any and all written communications with respect to Environmental Claims or any Release of Hazardous Material required to be reported to any federal, state or local governmental or regulatory agency,

3. any remedial action taken by the Corporation or to the Corporation's knowledge, by any other person in response to

- a. any Hazardous Material on, under or about any Facilities, the existence of which could result in an Environmental Claim having a material adverse effect upon the business, operations, properties, assets, or condition (financial or otherwise) of the Corporation, or

- b. any Environmental Claim that could have a material adverse effect upon the business, operations, properties, assets, or condition (financial or otherwise) of the Corporation,

4. the Corporation's discovery of any occurrence or condition on any real property adjoining or in the vicinity of the Facilities that could cause the Facilities or any part thereof to be classified as "border-zone property" or to be otherwise subject to any restrictions on the ownership, occupancy, transferability or use thereof under any Environmental Laws, and

5. any request for information from any governmental agency that indicates such agency is investigating whether the Corporation may be potentially responsible for a Release of Hazardous Materials.

D. The Corporation shall promptly notify the Office and Trustee of any proposed acquisition of stock, assets, or property by the Corporation, that could reasonably be expected to expose the Corporation to, or result in, Environmental Claims that could have a material adverse effect upon the business, operations, properties, assets, or condition (financial or otherwise) of the Corporation, and any proposed action to be taken by the Corporation to commence manufacturing, industrial or other operations not in the ordinary course of business as conducted prior to the date of recording of this Regulatory Agreement that could reasonably be expected to subject the Corporation to additional laws, rules or regulations, including, without limitation, laws, rules and regulations requiring additional environmental permits or licenses.

E. The Corporation shall execute, on the effective date of this Regulatory Agreement and from time to time as requested by the Office, the Authority or the Trustee, Environmental Indemnities in the form attached hereto as Exhibit C.

SECTION XXVII. NOTICE OF DEFAULT

The Corporation shall immediately give notice to the Office and the Trustee of any notice of default given by the holder of any indebtedness of the Corporation.

SECTION XXVIII. CANCELLATION OF INSURANCE

No default by the Corporation under this Regulatory Agreement or failure by the Trustee to enforce compliance by the Corporation herewith shall result in cancellation of the insurance of the Bonds under the Insurance Law, except as provided in Insurance Law Sections 129175 to 129185 or the Contract of Insurance.

SECTION XXIX. OFFICE CONSENT DISCRETIONARY

The Corporation agrees that if provisions of this Regulatory Agreement, the Contract of Insurance, the Loan Agreement or the Indenture require the consent of the Office as a condition to certain actions by the Corporation, the Office shall conduct an independent evaluation of such actions as a basis for granting such consent and such consent need not be given despite compliance of the Corporation with the other stated conditions to such actions, including compliance with projected or historical financial condition tests.

SECTION XXX. CONTRARY AGREEMENTS SUPERSEDED

The Corporation warrants that it has not executed, and will not execute any other agreement with provisions contradictory of, or in opposition to, the provisions hereof, and that, in any event, the requirements of this Regulatory Agreement are paramount and controlling as to the rights and obligations set forth and supersede any other requirements in conflict therewith except as may be set forth in the Contract of Insurance.

SECTION XXXI. SPECIFIC PERFORMANCE

The Office or the State (or, as to Sections VII and XIII through XIX of this Regulatory Agreement, the Authority) may apply to any court for the specific performance of this Regulatory Agreement or the Contract of Insurance or for an injunction against any violation of this Regulatory Agreement or the Contract of Insurance or for such other relief as may be appropriate since the injury to the Office, the State or the Authority, arising from a default under any of the terms of this Regulatory Agreement or the Contract of Insurance would be irreparable and the amount of damage would be difficult to ascertain.

SECTION XXXII. WAIVER OF PERSONAL LIABILITY

No employee, officer or agent of the Office shall be individually or personally liable for any injury caused by their acts or omissions relating in any way whatsoever to the transaction resulting in this Regulatory Agreement and the Contract of Insurance. The Corporation hereby releases each and every employee, officer and agent of the Office of and from any personal or individual liability for negligence under this Regulatory Agreement or the Contract of Insurance.

The employees and officers of the Office shall not be liable for any of their acts hereunder except as provided by California statutes concerning the liability of State employees and officers.

SECTION XXXIII. NOTICES

EXHIBIT C

ENVIRONMENTAL INDEMNITY

This ENVIRONMENTAL INDEMNITY (“Indemnity”) is entered into as of October 1, 2000, by BURT CENTER, INC., a California nonprofit public benefit corporation (the “Indemnitor”), for the benefit of the Office of Statewide Health Planning and Development of the State of California (“Office”), the California Statewide Communities Development Authority (“Authority”), BNY Western Trust Company, as trustee, and their respective successors and assigns, and the respective directors, officers, agents, attorneys, and employees of each of the foregoing (each of which shall be referred to hereinafter individually as an “Indemnatee” and collectively as the “Indemnitees”).

RECITALS

A. The Office, the Indemnitor and the Authority have entered into a Contract of Insurance of even date herewith (“Contract of Insurance”) and a Regulatory Agreement of even date herewith (“Regulatory Agreement”). The obligations of the Indemnitor arising out of the Contract of Insurance and the Regulatory Agreement are to be secured by, among other things, that certain Deed of Trust of even date herewith executed by the Indemnitor as trustor, to Chicago Title Insurance Company, as trustee, in favor of the Office and the Authority, as beneficiaries (“Deed of Trust”), which Deed of Trust encumbers the real property described on Exhibit A attached to the Regulatory Agreement (“Premises”), a copy of which is attached hereto, and the improvements constructed or to be constructed thereon (which improvements, together with the Premises, shall hereinafter be referred to as “Project”).

B. As a result of the exercise of the Office’s rights and remedies under the Regulatory Agreement, an Indemnatee may hereafter become the owner of the Project pursuant to a foreclosure sale or deed in lieu thereof. In such event, one or more of the Indemnitees may thereafter incur or suffer certain liabilities, costs, and expenses in connection with the Project relating to Hazardous Materials (as defined in the Regulatory Agreement). The Office has therefore made it a condition of the Office’s entering into the Contract of Insurance that this Indemnity be executed and delivered by the Indemnitor in order to protect the Indemnitees from any such liabilities, costs, and expenses and all other Post-Foreclosure Transfer Environmental Losses (as hereinafter defined).

AGREEMENT

In consideration of the foregoing and of the Office executing and delivering the Contract of Insurance, and other valuable consideration, the receipt of which is hereby acknowledged, the Indemnitor agrees as follows.

SECTION 1. Unless the context clearly otherwise requires, all capitalized terms not defined below and used in this Indemnity shall have the meanings assigned to such terms in the Regulatory Agreement:

a. “*Foreclosure Transfer*” means the transfer of title to all or any part of the Premises or the Project at a foreclosure sale under the Deed of Trust, either pursuant to judicial decree or the power of sale contained in the Deed of Trust, or by deed in lieu of such foreclosure.

b. “*Losses*” means any and all losses, liabilities, damages, demands, claims, actions, judgments, causes of action, assessments, penalties, costs and expenses (including, without limitation, the reasonable fees and disbursements of outside legal counsel and accountants and the reasonable charges of in-house legal counsel and accountants), and all foreseeable and unforeseeable consequential damages.

c. “*Post-Foreclosure Transfer Environmental Losses*” means Losses suffered or incurred, following a Foreclosure Transfer, by any Indemnitee, arising out of or as a result of:

(1) the occurrence, prior to a Foreclosure Transfer, of any Hazardous Material Activity;

(2) any violation, prior to such Foreclosure Transfer, of any applicable Environmental Laws relating to the Premises or the Project or to the ownership, use, occupancy or operation thereof;

(3) any investigation, inquiry, order, hearing, action, or other proceeding by or before any governmental agency in connection with any Hazardous Material Activity occurring or allegedly occurring prior to a Foreclosure Transfer; or

(4) any claim, demand or cause of action, or any action or other proceeding, whether meritorious or not, brought or asserted against any Indemnitee which directly or indirectly relates to, arises from or is based on any of the matters described in Subsections (1), (2), or (3), or any allegation of any such matters.

SECTION 2. The Indemnitor shall indemnify, defend, and hold harmless Indemnitees, and each of them, from and against any and all Post-Foreclosure Transfer Environmental Losses.

SECTION 3. The Indemnitor shall not have any liability hereunder prior to a Foreclosure Transfer, and no claim may be made hereunder by any Indemnitee prior thereto. This Indemnity is given solely to protect the Office and the other Indemnitees against Post-Foreclosure Transfer Environmental Losses, and not as additional security for, or as a means of repayment of, the Indemnitor’s obligations under the Regulatory Agreement. The obligations of the Indemnitor under this Indemnity are independent of, and shall not be measured or affected by:

a. any amounts at any time paid with respect to the Contract of Insurance or owing with respect to the Contract of Insurance, the Regulatory Agreement and/or the Deed of Trust, or secured by the Deed of Trust,

b. the sufficiency or insufficiency of any collateral (including, without limitation, the Project) given to the Office to secure repayment of any amounts owing with respect to the Contract of Insurance, the Regulatory Agreement and/or the Deed of Trust,

c. the consideration given by the Office or any other party in order to acquire the Premises or the Project, or any portion thereof,

d. the modification, expiration or termination of the Contract of Insurance, the Regulatory Agreement or any other document or instrument relating thereto, or

e. the discharge or repayment in full of amounts owing with respect to the Contract of Insurance, the Regulatory Agreement and/or the Deed of Trust (including, without limitation, by amounts paid or credit bid at a foreclosure sale or by discharge in connection with a deed in lieu of foreclosure).

Notwithstanding the provisions of any document or instrument, none of the obligations of the Indemnitor hereunder shall be in any way secured by the lien of the Deed of Trust or any other document or instrument securing the obligations under the Regulatory Agreement.

SECTION 4. The Indemnitor's obligations hereunder shall survive the sale or other transfer of the Premises or the Project prior to a Foreclosure Transfer. The rights of each Indemnitee under this Indemnity shall be in addition to any other rights and remedies of such Indemnitee against the Indemnitor under any other document or instrument now or hereafter executed by the Indemnitor, or at law or in equity (including, without limitation, any right of reimbursement or contribution pursuant to CERCLA, as defined in the Regulatory Agreement), and shall not in any way be deemed a waiver of any of such rights.

SECTION 5. All obligations of the Indemnitor hereunder shall be payable upon written demand to the Indemnitor by any Indemnitee. Such written demand shall be accompanied by a statement explaining the Post-Foreclosure Transfer Losses claimed and shall set forth the amounts demanded therefor. Any amount due and payable hereunder to any Indemnitee by the Indemnitor which is not paid within thirty (30) days after the receipt by the Indemnitor of such written demand from an Indemnitee shall bear interest from the date of such demand at ten percent; *provided, however*, an Indemnitee shall not be entitled to any such interest if the Indemnitor:

a. contests said obligations, and

b. prevails in said contest action.

SECTION 6. The Indemnitor shall pay to each Indemnitee all costs and expenses (including, without limitation, the reasonable fees and disbursements of any Indemnitee's outside legal counsel and the reasonable charges of any Indemnitee's in-house legal counsel) incurred by such Indemnitee in connection with this Indemnity or the enforcement hereof.

SECTION 7. This Indemnity shall be binding upon the Indemnitor, its heirs, representatives, administrators, executors, successors and assigns and shall inure to the benefit of and shall be enforceable by each Indemnitee, its successors, endorsees and assigns. As used herein, the singular shall include the plural and the masculine shall include the feminine and neuter and vice versa, if the context so requires. If this Indemnity is executed by more than one person or entity, the liability of the undersigned hereunder shall be joint and several.

SECTION 8. This Indemnity shall be governed and construed in accordance with the laws of the State of California. Any action or proceeding to enforce or interpret any provision of this Indemnity shall be brought, commenced or prosecuted in Sacramento County, California.

SECTION 9. Every provision of this Indemnity is intended to be severable. If any provision of this Indemnity or the application of any provision hereof to any party or circumstance is declared to be illegal, invalid or unenforceable for any reason whatsoever by a court of competent jurisdiction, such invalidity shall not affect the balance of the terms and provisions hereof or the application of the provision in question to any other party or circumstance, all of which shall continue in full force and effect.

SECTION 10. No failure or delay on the part of any Indemnitee to exercise any power, right or privilege under this Indemnity shall impair any such power, right or privilege, or be construed to be a waiver of any default or an acquiescence therein, nor shall any single or partial exercise of such power, right or privilege preclude other or further exercise thereof or of any other right, power or privilege. No provision of this Indemnity may be changed, waived, discharged or terminated except by an instrument in writing signed by the party against whom enforcement of the change, waiver, discharge or termination is sought.

IN WITNESS WHEREOF, this indemnity is executed as of the day and year first written above.
